Say "Yes!" to Alsace

I was amazed when I first saw Mrs. Turner's work! I was on a tight budget, but she worked with me and made my day the absolute best! My husband and I would have paid thousands more if we had hired anyone else. All of my friends now wants her to plan their next event! She's doing my daughter' sweet 16!"

Elouis, VA

Ms. Turner saved my life! She planned my grandparent's anniversary in our backyard, and Wow! The transformation. I would recommend her any day!"

Andrea, FL

"We wanted an over the top celebration for our union but within reason. Christina was spectacular with creating our vision into something we could not have imagined ourselves and kept our cost down. She is our "Olivia Pope". It was such a beautiful day and we will never forget it or her. We fell madly in LOVE with her! She will be doing our anniversary party."
